WATERLOO TECHNICAL SOCIETY

10 MAY 2000 MEETING MINUTES

The 10 May 2000 meeting of the Waterloo Technical Society was held at Greenstreets Restaurant in Cedar Falls, IA with 37 members and 10 guests present. The meeting was called to order by President Chuck Angel at 7:30 PM. Following introductions of guests. the past Presidents were recognized. Reading of the Minutes of the April 2000 meeting and all other reports were waved so that Chuck could discuss nominees for next year's Officers and suggestions for meeting topics. He asked for any nomination for vice-president from the floor. There being none, he announced that consideration was being given to adding a Co-Treasurer position as the Co-Secretary addition the past two years had helped secure persons to accept that job. In regard to committee appointments, he will try to insure that terms are staggered so that an experienced person is always available. Chuck also indicated that Ballots will be mailed to the members and a space for suggested meeting topics will be included.

Floyd Danielson introduced the evening speaker, Mr Jack Drews. Mr Drews gave some history on vintage sports car racing and showed some slides and video of local cars and drivers at different race tracks. The meeting at (3reenstreets was concluded at 8:23 PM. The group then proceeded to 1710 Cherry Lane in Cedar Falls where Joe Alexander displayed two of his sport cars.

Respectfully Submitted.

Gene Hunck, Co-Secretary
